ORDER OF DISMISSAL

19 CV 3630 (VB)

On May 26, 2020, the Court issued an Opinion and Order granting defendants' motion to dismiss and granting plaintiff leave to file an amended complaint as to his Fourteenth Amendment deliberate indifference to medical needs claims. (Doc. #19).

The Court ordered plaintiff to file his amended complaint or seek additional time to do so by July 27, 2020. The Court warned plaintiff that if he failed to do so, the Court would deem plaintiff to have abandoned the case and would direct the Clerk to enter judgment in defendants' favor and close the case.

To date, plaintiff has failed to file an amended complaint or seek an extension of time to do so. As the Court has already dismissed all of plaintiffs' claims, the Court will direct the Clerk to enter judgment in defendants' favor.

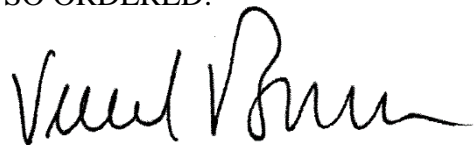

The Court certifies pursuant to 28 U.S.C. § 1915(a)(3) that any appeal from this Order would not be taken in good faith, and therefore in forma pauperis status is denied for the purposes of an appeal. Cf. Coppedge v. United States, 369 U.S. 438, 444–45 (1962).

The Clerk is directed to enter judgment in defendants' favor and close this case.

Chambers will mail a copy of this Order to the plaintiff at the address on the docket.
